US TSCA COMPLIANCE DECLARATION

April 10, 2023

Precision Digital Corporation declares that the products we provide are compliant with the regulations and restrictions on substances listed below as we contain either none or less than the allowed limits.

Under US Code of Federal Regulations title 40, part 751 – US Toxic Substances Control Act (TSCA), the presence of Persistent, Bioaccumulative, and Toxic (PBT) substances are controlled and notice of their presence be declared. Precision Digital Corporation supports the objective of TSCA to further improve the United States regulation on chemicals, including the aim to advance public health and safety and to protect the environment.

Precision Digital Corporation is a manufacturer and distributor of electronic products, thus the products we supply are solely non-chemical products (goods). We have requested our component or finished product suppliers to provide us the information on the relevant chemicals in their supplied products. This enables us to provide our customers with information about any designated Substances and if they are Persistent, Bioaccumulative, and Toxic (PBT) substances, as required by the regulation.

These Substances and their Declared Limits are named below:

Substance Name	CAS #	Declared Limit
Phenol, Isopropylated phosphate (3:1) (PIP (3:1))	68937-41-7	Any Amount
Decabromodiphenyl ether (DecaBDE)	1163-19-5	Any Amount
2,4,6-Tris(tert-butyl)phenol (2,4,6-TTBP)	732-26-3	In Amounts Greater Than 0.3 % By Weight
Hexachlorobutadiene (HCBD)	87-68-3	Any Amount
Pentachlorothiophenol (PCTP)	133-49-3	In Amounts Greater Than 1.0 % By Weight

Precision Digital Corporation products are all within, or below, the limits set forth in the regulations.

Sincerely,

Jeffrey Peters
President
